5th Annual Fatherhood Conference - Romulus, MI

Friday, February 09, 2007

The Michigan Fatherhood Coalition partnered with the Michigan Head Start Association to hold the 5th Annual Fatherhood Conference. It was held at the Crown Plaza Hotel in Romulus, MI across from the Detroit Metro Airport.

The conference was attended by fathers and practitioners who work with fathers. And this was unique in the nation as reported by one of our keynote speakers, Mac Bledsoe. Visit Mac's blog at the following link to hear what he said about both the conference and the coalition.
